Run time is 83 minutes

Wilderness Journey: The Struggle for Black Empowerment and Racial Justice within the UUA (1967-1970)

This is an "oral history" of the first-hand participants in the Black Empowerment Controversy within the UUA of the 1960s and 1970s, thus preserving this important witness for future generations. This DVD, produced by Ron Cordes, is now available from Congregational Services of the UUA for \$5 for one copy, or \$20 for 5 copies. It's a good addition to any congregational collection as an educational, historical, and, antiracism resource.

Run time is 76 minutes
