# Introductions: Part Two

## Digging Deeper

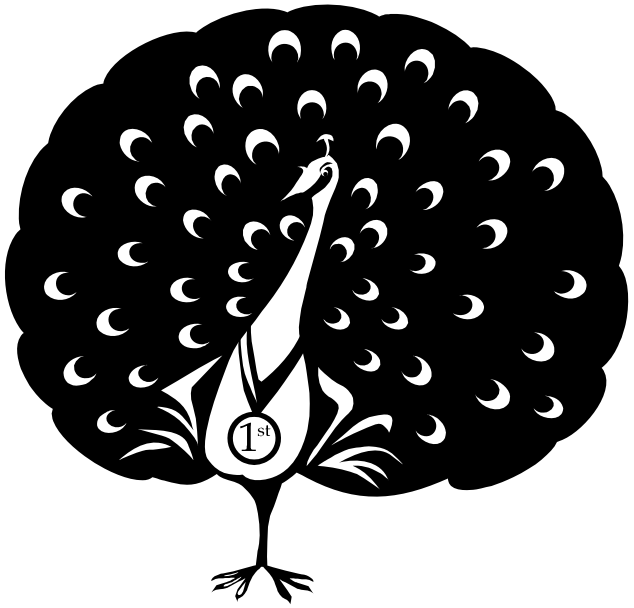
- What have been your experiences (and/or inexperience) with campus ministry?
- What are you hoping for in your future experiences with campus ministry?
- Why is campus ministry important to YOU?

# Successful Start-up Strategies

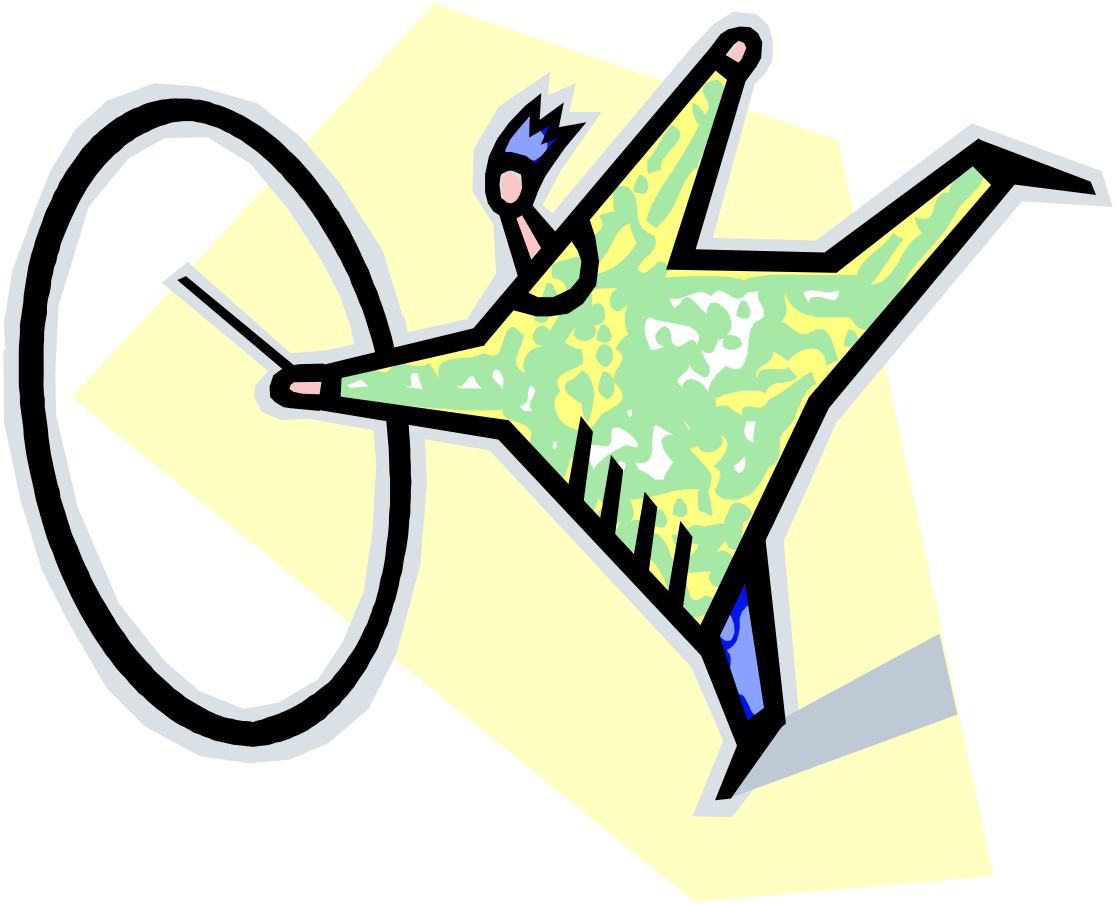
- Identify needs of the students by asking them
- Identify the school culture and how you might become a part of that
  - What is it missing that you could bring?
- Get congregational buy in
  - Host an open meeting to discuss priorities and the big questions
- Differences in types of campuses and how this will affect ministry
  - Trade School, Community College, Public University, Private College, Private University
- Frame campus ministry as ministry to individuals AND as building a neighborhood partnership

# What's going on in the creation/development of your CM group?

- Proudest accomplishments?
- Most difficult struggles?
- What do you wish you could know now?



# What would you like to see happen in your CM group?



# Granting Ourselves Wishes

- What are two goals we would like to make for ourselves in our creation/development of these CM groups?

- When do we expect to accomplish them?

# Closing

- John Murray
- #704 in Singing the Living Tradition
