Dear UU Congregations and Friends,

We hope you choose to exhibit with General Assembly this year! There are many large congregations in and around Minneapolis, we are expecting 4,200 attendees and Minneapolis is a fantastic City!

The 2010 General Assembly will convene June 23 - 27 in Minneapolis, MN. We are now accepting submissions for Exhibit Space Requests and Program Ad Space Requests.

Your timely completion of the online form will help us to better assign exhibit space. Please take some time now to detail your plans.

Exhibit Space requests and advertising request forms will be accepted until **the final deadline of January 15, 2010.**

Exhibitor Request Form

In addition to a multitude of learning, enrichment, and worship opportunities, General Assembly offers numerous ways to meet and network with other Unitarian Universalists and UU-related organizations. The Exhibit Hall is always a popular focal point; it provides a gathering place, rest stop, food concession, and marketplace for GA attendees. The GA Exhibit Hall is open to all GA registrants.

For more information on exhibiting at GA, read the [2010 Exhibitor's Prospectus](#). The deadline for reserving space in the GA Exhibit Hall is January 15, 2010.
