## Global Chalice Lighting for October 2009

The International Council of Unitarians and Universalists announces the 74<sup>th</sup> in its monthly series of global chalice lighting readings. Congregations worldwide are invited to participate.

All ICUU-affiliated groups have been asked to submit brief chalice lightings for the project. Every month, a reading will be distributed to Unitarian and Universalist congregations around the world. We ask each congregation to use the reading for at least one worship service in the designated month, identifying it as the "Global Chalice Lighting" for that month and naming the group which submitted it. Readings will be circulated in English and, where different, in their original language.

It is hoped that the ICUU Global Chalice Lighting Project will enhance the worship experience in our congregations and raise awareness of the international dimensions of our religious movement.

This Global Chalice Lighting is to be used during October 2009.

The light of life shines through the eyes of each and every person.

The light of truth shines through each life.

May the light of this chalice remind us that our search for truth and light is ongoing, and is enhanced and nurtured by every person we meet.

May we honor the light in each other.
