Unitarian Universalist Blogging Resources Project

October 2008 Update

New resources have been added to UUA.org, including:

- Best Practices for Unitarian Universalist Blogging
Advice, insights and stories from leading Unitarian Universalist bloggers. All of the bloggers featured write blogs that focus on and promote Unitarian Universalism.
- Dos and Don'ts for Unitarian Universalist Congregations Using Facebook
Suggestions for creating and administering your congregation's Facebook page.
- Past General Assembly Workshops on Blogs and Other New Media
Links to information from past General Assembly workshops about blogs and other new media.

All resources can be found at
