One Action and One Tool from the UUA Ministries and Faith Development Staff Group

One Thing Going On

Justice General Assembly is NOW!

The intentional planning, relationship-building, and hard work that have gone into planning this year's GA have modeled crossing borders and working in solidarity for social justice in multicultural community. UUA President Peter Morales, UUA Board Moderator Gini Courter, the GA Planning Committee, the Arizona Immigration Ministry, our coalition partners in Arizona, and many other staff members and volunteers are eagerly anticipating your arrival. All of the programming during this year's GA is focused on building the capacity of Unitarian Universalists to stand in opposition to systemic racism and to witness on immigration, racial justice, and economic justice. With that in mind, connect to a special issue of the Catalyst (enews from Multicultural Growth and Witness) highlighting GA programming that we hope you'll find useful, engaging, and vital: http://www.uua.org/documents/idbm/rec/120525_catalyst.pdf

For those who are unable to attend Justice GA, plan to participate in the National Day of Witness "No Human Being is Illegal" <http://www.standingonthesideoflove.org/national-days-of-witness-for-justice-june-20-24-no-human-being-is-illegal/>

One Useful Tool

Social Justice Calendar

<https://salsa.democracyinaction.org/o/1272/images/sj-calendar2012-2013.pdf>

Plan your social justice calendar for the year. If your congregation's social justice ministry is focusing on any of the issues captured on this month by month calendar, such as the February "Standing on the Side of Love Week," April's "Earth Day," or November's "National Transgender Remembrance Day," you can join in collective national advocacy with the UUA, UU social justice organizations, other UU congregations, and community and national partners! As each justice event approaches, visit www.uua.org/justice for worship resources, action campaigns, educational materials and more!
