

# One and One

## *One Action and One Tool from the UUA Ministries and Faith Development Staff Group*

One and One is produced by the UUA Ministries and Faith Development Staff Group. In this simple weekly brief, busy Unitarian Universalist Professionals will find one exciting thing going on at the UUA, and one useful tool. Please submit content ideas or feedback to [one-and-one@uua.org](mailto:one-and-one@uua.org).

### *One Thing Going On*

#### *Voting on the Side of Love*

It's election season and you're invited to get involved in a fun way that will make a difference in a big way. You can spread UU values across the country and lift up major issues such as reproductive justice, marriage equality, immigration, health care and more.

A video contest is in the works. What's your part? Produce and submit a brief video, only 4 minutes or less in length, by Sept 23, 2012. Focus on issues in this election through the lens of our liberal faith. Imagine if your video shows democracy at its best, supports the rights of marginalized communities, and brings to light the values of compassion, peace and justice.

One important guideline: you must not endorse a particular candidate or political party. Everything else you need to know, including prizes, is here:
