One Thing Going On

Reproductive Justice

The UUA has just released a Congregational Resource Packet on Reproductive Justice, in keeping with the General Assembly adoption of this issue for study and action. The packet includes small group ministry sessions, a faith development guide, a liturgical calendar, sample worship, sermon archive and resources, other materials for clergy, a list of 10 things for congregations to do, and lots of other materials to help UUs advocate for reproductive justice. All the resources are available for download [here](#).

Please sign up with your email at this [link](#) so that the UUA can follow up with those who are using the resources, provide updates, etc.
