One Thing Going On

Annual Program Fund

The Annual Program Fund (APF) 2014 Fair Share Giving rates have been communicated to congregations and posted on our website here: <http://www.uua.org/giving/apf/198518.shtml> For most congregations, APF rates will continue to be calculated based on reported membership numbers, and they will see a very modest increase in rates (from \$58/member to \$60/member) for the first time in several years.

The Southern Region is leading the way in the new fiscal year! The four districts that comprise the region will be experimenting with the new Generously Investing in Tomorrow (G.I.F.T) program, a pilot program unifying UUA and district/regional funding. Their Fair Share for 2013-2014 fiscal year (July 1 - June 30) is 7% of reported annual expenses. This will represent both UUA and Region (district) Fair Share funds. Payments will be sent to UUA, and these funds will be then distributed between the UUA and the Region.

One Useful Tool

Reproductive Justice Curriculum and Clergy Caucus

Unitarian Universalists (UUs) are called to answer the chilling political debate on reproductive rights with calls for reproductive ‘justice’ and respect for the fullness of every person’s reproductive and sexual life. The election of the 2012-2016 Congregational Study/Action Issue, “Reproductive Justice: Expanding our Social Justice Calling,” is a milestone opportunity for Unitarian Universalists to live into this call. **This curriculum was written to help UUs take on this call to action.** <http://www.uua.org/reproductive/calling/curriculum/index.shtml>.

January 22, 2013 marks the 40th anniversary of the landmark *Roe v. Wade* case which made abortion legal in the United States. **Preaching on this topic would be a great way to launch the curriculum in your congregation.** Ministers can sign up for the Reproductive Justice Clergy Caucus and find sermon resources at <http://bit.ly/RoeSermonGuide>
