

Brief Notes and Actions items, deeply missing our recorder Eva:

#### Delegate Follow-up

1. Potential off-site delegates who have not registered nor made any attempt to participate will be moved to the withdrawn list after tomorrow's training session. This includes Diane Harney and Jack Kickok.
2. The deadline for getting delegate cards is June 15. Delegates cannot participate if we do not have a signed card by the end of that day.
3. Anne Kinney's card appears to be lost after she sent it to the wrong address. Don agreed to send another one. [NOTE: Linda talked with Anne -- she has extra cards that are not being used by other delegates, so will get one signed and sent ASAP along with her check.]
4. Linda also talked with Marriner Cardon, who will look for the replacement card Don sent to the congregation. Marriner's card was accidentally thrown away by the other off-site delegate in his congregation.
5. We are awaiting checks and/or cards from 5 other candidates. All have registered, and been contacted.
6. Forty-five have fully made it through the registration process. :>)

#### June 8 training

1. Twelve people participated in the practice rounds over the past few days.
2. Mark, Larry, Linda, and possibly Lynda and Randy will be on the call to assist with delegates who have problems. We anticipate most of the problems to be with very basic computer issues.
3. Any delegate unable to log-in in the first few minutes and/or for which one of the team members is unable to resolve the problem will be worked with at another time to allow the practice session to go forward.

#### Other

1. We will attempt to meet twice at GA (including all volunteers), once early on (Wednesday am?) and at or near the end (to celebrate).
2. Linda will order T-shirts for all team members and volunteers.
3. Mark will send Linda a list of volunteer names and addresses so that she can send a survey on the best time to meet and get T-shirt sizes.
