Hearing Accessibility Survey

Adapted from Self Help for Hard of Hearing People (SHHH)

How important is it for our building to have an assistive listening system?
□ Very important □ Somewhat important □ Not important

How often do you have problems hearing in our building?
□ Often □ Sometimes □ Seldom □ Never
(If your answer is "Never" then do not answer any more questions.)

If you ever have problems, can you be more specific about where and when you cannot hear? Use the back of this survey form to give us details about the difficulties you have hearing in our building.

Do you ever avoid educational programs, religious activities, meetings, or other involvement because you think you may not be able to hear?

Educational programs □ Often □ Sometimes □ Seldom □ Never

Worship services □ Often □ Sometimes □ Seldom □ Never

Meetings/small groups □ Often □ Sometimes □ Seldom □ Never

Other_____ □ Often □ Sometimes □ Seldom □ Never

Do you wear a hearing aid or aids? □ Yes □ No

If "Yes" does your hearing aid have a T-switch? □ Yes □ No

Have you ever used an assistive listening device other than a hearing aid to help you hear? □ Yes □ No

Would you use a hand-held receiver to help you hear in our building if one is made available to you? □ Yes □ No

Would you use headphones to help you hear a worship service if a set is made available to you? □ Yes □ No

Please add additional comments on the back of this survey form.
