

Do you have a project or program that wants financial support and fits our guidelines? With four specialized funds, the U.U. Funding Program may be a source of funding to support your work. Our next application deadline is September 15 for most funds.

The U.U. FUNDING PROGRAM mission is to promote the influence of UNITARIAN UNIVERSALIST principles through grantmaking.

The Fund for Unitarian Universalism makes grants to Unitarian Universalist organizations for projects that strengthen Unitarian Universalist institutional community life and nurture and celebrate our liberal religious heritage. Priority is given to innovative, challenging or experimental programs that may have wide denominational impact.

Maximum grant: \$20,000. Application deadlines: September 15 and March 15.

The Fund For Unitarian Universalist Social Responsibility provides grants to Unitarian Universalist organizations that increase the direct involvement of Unitarian Universalists in service, advocacy and community organizing to create justice in the world, link UUs with their community and foster a generosity of spirit and action in UU communities.

Maximum grant: \$20,000. Application deadlines: September 15 and March 15.

The Fund for International Unitarian Universalism makes grants to Unitarian/Universalist organizations for programs that strengthen and promote U/U ideals and values and nurture and celebrate our free faith beyond North America. Priority is given to innovative, challenging programs and projects that address needs not met by institutional structures.

Maximum grant: \$20,000. Application deadline: March 15 ONLY.

The Fund for A Just Society makes grants to non-Unitarian Universalist organizations in the U.S. and Canada that use community organizing to bring about systemic change leading to a more just society. Priority is given to innovative campaigns that organize and mobilize people to create change in the economic, social and political structures in their lives.
