

The Third Annual

Association Sunday

We are better together!

“Growing Our Diversity”

We are better together! Let us continue our efforts to *Grow Our Faith* and in so doing, build the beloved community. Through this special service and collection to fund *Growth in Diversity* programs, we can develop spiritual communities that are more racially, culturally and economically inclusive and welcoming to ALL people.

Through this year’s Growth in Diversity funding initiatives, we will:

- * Expand the *Building the World We Dream About* curriculum and associated resources.
- * Support congregations who are working to create a Unitarian Universalism that is racially, culturally, and economically diverse.
- * Enable UU congregations and districts to minister effectively to youth and young adults who identify as people of color or multiracial, and to their families, in the areas of spiritual development, racial/cultural identity development, and leadership development.

Worship and Organizing Resources to help you plan a successful service will be available soon. Please visit our website, www.uua.org/associationsunday, for updates and additional information.
