RE: Marion Barr Stanfield and Polly D'Orlando Art Scholarships

PAULY D'ORLANDO ART SCHOLAR		Total \$500

There were sixteen applicants for the two Art scholarships this year. The committee reports that the applicants were considered on the basis of need and commitment to UU values as expressed in their essays and cv. They also examined the submitted portfolios of work for artistic vision and execution. The decisions are often difficult – all applicants are committed to their art and inspired by their UU faith tradition. The awardees are very promising and talented young artists. We thank the members of the committee who brought their own skills and talents to the thoughtful selection of recipients:
