Is Your Congregation Considering a CBCO?

GRANT FUNDS AVAILABLE FOR CONGREGATIONS!

CONGREGATION BASED COMMUNITY ORGANIZING

The UU Funding Program is pleased to announce that, thanks to the vision and generosity of the UU Veatch Program at Shelter Rock, the **Fund for UU Social Responsibility** will offer matching grants for congregations wishing to join a congregation-based community organizing network – IAF, DART, Gamaliel, PICO, IVP. We will also make matching grants for congregational leaders to attend CBCO training.

The Application process is simple and quick: grants for CBCO training are made within one month. Please contact our office for an application. For information about any of our Funds, please visit our website for guidelines, annual reports and more information: www.uua.org/uufp or call our office at 617-971-9600.

The UU Funding Program makes grants from \$1,000 to \$20,000 to projects undertaken by UU congregations, committees, districts, and affiliates through three Funds:

- The Fund for Unitarian Universalism,
- The Fund for International Unitarian Universalism,
- The Fund for UU Social Responsibility.

Each Fund has a distinct mission and guidelines.
