# Unitarian Universalist Association Annual Treasurer's Report To the 2005 General Assembly in Fort Worth

The UUA **Current Operations Budget Summary** contains results for the fiscal years ending June 30, 2003 and 2004, along with the budget for the current fiscal 2005 year just ending, the approved budget for the upcoming FY2006 budget year and the outlying FY2007 budget that has been received by the Board of Trustees. You will also find an Operating Budget Supplement as an aid to understanding the budget categories and Operating Budget Graphs to satisfy your visual interest.

Fidelity Investments Tax-Exempt Services Company, as the provider of trust investment, record-keeping and administration services for our **Unitarian Universalist Organizations Retirement Plan** has permitted the continued expansion of the number of congregations electing to participate in the plan to more than 626 organizations and 2266 participants. Last October, seven new investment options were added to our Plan. After careful review and consideration, and in keeping with the Plan's mission of offering a variety of quality investment options, five of the seven new funds are Socially Responsible: Ariel Appreciation Fund, Calvert New Vision Small Cap Fund, Calvert Social Index Fund, Calvert World Values Fund, International Equity, and PIMCO Total Return III. In addition to the Socially Responsible funds we also enhanced the investment menu to offer the Fidelity Treasury Inflation Protected Bond Fund and the Fidelity Small Cap Stock Fund. As you will recall, we had previously increased the number of investment options participants may select for their retirement funds to ten, including the Fidelity family of Freedom Funds, the Domini Social Equity fund and two Walden Asset Management socially responsible mutual funds. Fidelity also offers enhanced education and retirement investment planning services, timely electronic "statement on demand" reporting with more choice and increased flexibility.

A salary reduction, personal investment feature is included where the retirement plan participant's member congregation contribution has reached 10% or more. Participants may elect to borrow up to the lesser of \$50,000 or 50 percent of his/her accumulated assets for two purposes: a medical emergency or for the purchase of a primary residence. Regular monthly payments on the amount borrowed, plus interest, must be made to the participant's account.

Strategic Review of the Asset Allocation Policy of the UUA General Investment Fund (GIF) was completed by the Investment Committee within the past two years. In conjunction with the services of New England Pension Consultants (NEPC) the committee studied a wide range of asset classes that are appropriately considered for an endowment such as the General Investment Fund, with its attendant goals, objectives and constraints. The study included a number of asset classes that had not previously been represented in the asset allocation policy of the GIF. The asset allocation policy of the GIF has, for many years, targeted a 60% investment in equity securities and a 40% allocation to fixed income securities. In prior years, this overall policy had been achieved through the use of "balanced managers" each of whom managed a blend of both stocks and bonds. Rebalancing had been the responsibility of the individual manager, without knowledge of the allocation of the other managers.

**The Investment Committee** unanimously voted to maintain the overall asset allocation, but to revise the UUA policy to include additional fixed income and equity asset classes in the GIF. The Committee also revised the target asset class allocations to accommodate new classes, to set permissible ranges for each

asset class and to create a revised rebalancing policy driven by the position of the asset class within the range established. The Committee recognized that the implementation of such changes warranted the review, search and selection of investment advisors that are specialist managers, with expertise in a particular asset class. It was determined that the funding of new asset classes would either occur through a change in management of a component (equity or fixed income) presently managed by a balanced manager or by the elimination of one or more managers. The committee set the goal and has completed its implementation of the revisions.

Due to the cyclical nature of securities markets, the investment management business itself is cyclical. The strain of under-performing had the effect of driving change and consolidation with the investment advisor and investment managers. Such changes do not always benefit clients or their portfolios and resulted in changes in the operating structure of several investment advisors who had managed GIF assets.

The Investment Committee previously voted to liquidate the global fixed income assets managed by Lazard Asset Management, due to significant under-performance relative to the appropriate benchmark. The proceeds were combined with other core fixed income funds managed by PIMCO and known as the SIT Total Return Trust II, under the aegis of Oppenheimer Capital. The Committee also terminated the services of Beacon Asset Management for both the equity and fixed income portion of the portfolio, as well as the equity funds managed by Oppenheimer Capital and Regent Investment Advisors for both equity and fixed income management.

The Committee had been studying high yield and global bond managers and selected two specialty managers to assist with a broader diversification through the reinvestment of fixed income assets. The fixed income proceeds were invested in Seix Investment Advisors Hi-Yield Investment Strategy and the GMO (Grantham, Mayo, Van Otterloo & Co.) Global Bond Fund. Additional equity proceeds were placed in the Domini Social Funds Index.

The committee then began the analysis of alternatives for placement and strategic investment of core equity assets. In its analysis, the history, structure and strategy of the investment firms was considered and also their investment philosophy and practice, professional staff, fee structure and their ability to assist the UUA with implementation of its socially responsible investment strategy.

The **Investors Bank & Trust Company** (IBT), custodian for the General Investment Fund (GIF), has enabled more timely quarterly endowment fund reconciliation and calculation of the GIF market value thus permitting earlier distribution of the checks to be mailed. We have established the 12<sup>th</sup> business day of the quarter as our goal for reporting and releasing checks. The priority GIF service goal is to improve the clarity and quality of the quarterly statements sent to member congregations and affiliates who choose to invest with the Association.

The Association encourages member congregations, districts and affiliates to invest endowment funds along with the UUA's GIF endowment portfolio. Investing with the UUA offers the advantage of investment and administrative stability without the need for periodic retraining and with the comfort of having the Association's Investment Committee oversight. Perhaps the time is right to consider investing your Congregation's endowment funds with the Association.

The **Unitarian Universalist Association Financial Statements** for the years ended June 30, 2004 and 2003, on which Deloitte & Touche expressed an unqualified opinion, are included in the independent section of these UUA 2005 Annual Reports. We recommend them for your understanding of our overall

financial picture, and the more comprehensive knowledge that emerges from the reading of the footnotes, as well. The one page comparison of the Statements of Financial Position, on Page 2, is especially of value for the overview it provides of the financial strength of our Association. The total current assets less current liabilities, or working capital, at June 30, 2004 was \$10.7 million.

There are Supplemental Schedules of assets, liabilities and net assets on pages 16 - 18 that include business segment information for Current, Beacon Press, CPLC and the GIF. Additional GIF reporting is on pages 19-32 that include the investment portfolio detail.

At its January 17-18, 2004 meeting, the UUA Board of Trustees voted to establish an "umbrella giving" program permitting the UUA to act as an umbrella organization for gifts made to all UU entities.

At its October 16-17, 2004 meeting the UUA Board of Trustees approved a new policy for funding future UUA capital campaigns, voting as follows: To fund future capital campaigns by taking an additional draw up to 2% from the Associations' accumulated appreciation from restricted endowments in an amount sufficient to cover capital fundraising expenses. This draw is in addition to the 5% draw for operating budget, not to exceed a total of 7%.

Under the terms of the Holdeen and certain other trusts, the Association has an irrevocable right to receive and to use the income earned on the trust assets for designated purposes, but the principal itself will not be spendable. In compliance with the practice recommended in the American Institute of Certified Public Accountants Not for Profit Audit and Accounting Guide, the fair value of the trust assets have been recorded as permanently restricted net assets amounting to \$39.8 million, comprised of the Holdeen and other trusts. This reporting practice affects the reporting visibility of these trust assets, but should not be construed as increasing the amounts to be received in the future or changing the designated use of the income.

The **Blackbaud Financial Edge reporting system software** has permitted the development of more useful monthly and quarterly reporting for our current operations. In addition to consistent timely monthly reports, quarterly consolidating statements by business segment are prepared for reporting to the Finance Committee, our mortgage banker and the Administration. Also, Committee chairs and each staff liaison receive quarterly financial reports that compare expenditure activity with budget and prior year levels.

Continuing progress is expected to include improved operating cash flow reporting and electronic access to the financial reporting system for information and analysis by the program and support service staff of the Association. The budgetary planning is also more reflective of our historical monthly and quarterly experience, through tracking the income as well as the program and staff group budgets for comparative purposes, with the budget reflecting seasonal variation.

The **Committee on Socially Responsible Investing** has made substantial progress in the past year. The following page includes the description of the special program event and workshops that may be of interest to you. Come and join us!

# **BUDGET SUPPLEMENT**

The following supplemental information is provided as an aid to help you understand the major categories of the Association's budget.

#### **INCOME**

### INCOME FOR UUA GENERAL SUPPORT

## Fundraising - APF Churches & Fellowships

### Annual Program Fund

The Annual Program Fund (APF) provides for about 46% of the UUA's budgeted income for general support. The APF Program concentrates its efforts on raising revenue from member congregations: the suggested contribution for fiscal year 2004 was \$48 per member, and is \$50 per member for fiscal year 2005, while fiscal year 2006 is \$51 per member and fiscal year 2007 will be \$53 per member. The UUA bylaws restrict budgetary increases in APF contributions to no more than 7% over the previous year's actual income. APF income is projected to increase by 3.5% to 5% through fiscal year 2007. In 2004 and 2005 \$1 of the \$2 increase is specifically designated to fund congregational growth.

## Fundraising - Friends of the UUA

The Friends of the UUA campaign is directed to individual Unitarian Universalists. Through direct mail, phone, and personal visits by staff and volunteers, the Friends campaign raises about 8-11% of the Association's annual income for general support. The projected giving from current and new Friends donations is expected to be \$1,092,000 in FY2005, \$1,521,600 in FY2006 and \$2,100,000 in FY2007.

### Unrestricted Gifts and Bequests

Charitable Gifts and Estate Planning encourages individuals to include the UUA in their financial estate plans and to create charitable trusts. The budgeted income will be \$450,000 in FY2005 and will be reduced by \$25,000 in FY2006 and further reduced to \$350,000 in FY 2007.

#### Administration Fees

The Association charges its general investment funds, the UUA Retirement plan, and other funds an annual administrative fee equal to the approximate cost of handling the funds.

## General Investment Fund (GIF) Income

Represents income on investments made with funds donated or bequeathed to the Association by individuals and organizations. The unitized "common trust" fund is valued quarterly based on a thirteen quarter rolling average of the market value of the fund. The projection for FY2005 through FY2007 is based on the assumption the market will remain at the December 31, 2004 level. The GIF includes a \$20 million endowment donated to the Association by the Unitarian Universalist Congregation at Shelter Rock (UUCSR) of Manhasset, New York. The spending rate or draw is

5%, paid quarterly. The income is expected to be down about 4% in FY2005, also down about 1% in FY2006 and will be ahead about 7% in FY2007.

#### Other Current Fund Income

The Other Current Fund Income is included on a gross basis, before the cost of services provided. It consists of UUA bookstore sales, our lodging house for Unitarian Universalists rental income, periodicals subscriptions and advertising income, office facilities rental income from affiliates, income received from outside trusts, investment income from community and minority banks, fundraising consultation fees related to congregational annual fund and capital campaigns and other miscellaneous income. In FY2005 the income is expected to increase overall due to periodicals advertising, Eliot & Pickett UU lodging, fees for consultation, bookstore, and other miscellaneous and a reduction in LRCS distributions. In FY2006 income is expected to decrease about 2% from reduced fees for building programs and LRCS distributions partially offset by increased periodicals advertising.

#### INCOME FOR UUA DESIGNATED PURPOSES

#### Handing on the Future Income

Income from the completed Handing on the Future capital campaign is reflected as the planned program expenditures are provided. This includes the annual earnings on ministry-related endowments (identifying and recruiting promising candidates, scholarship aid to students and continuing education grants) plus the commitments made against four 'spend down' funds for recruitment of ministerial candidates, youth and young adult ministry, public relations, and nurturing congregational growth. The overall income from the capital campaign will decrease as these funds are fully utilized.

## Campaign for Unitarian Universalism

Income from the Capital Campaign for Unitarian Universalism includes the Pathways, Metropolitan Strategy, Growth Team and the marketing campaign, religious education curriculum visioning, and the implementation of the Young Adult Campus Ministry long range plan "Searching for the Future."

#### **UUCSR Veatch Grants**

Grants from the Veatch Program of the Unitarian Universalist Congregation of Shelter Rock allow the UUA program staff groups, including Congregational and District Services extension programs, Lifespan Faith Development and Lay Leadership development to support the growth of mission-based, faith-filled Unitarian Universalist congregations. Also included are the Unitarian Universalist Funding Program grants. Veatch Grants of \$900,000 in FY2005 will be dedicated to Growth, RE Credentialing, Lay Leadership, Ethics in Congregational Life, and to Identity Based Ministries (IdBM), Advocacy and Witness (A&W), Young Adult and Campus Ministry (YACM) Young Adults, and UU&Me. The Unitarian Universalist Funding Program panels continue at \$1 million available for grant making.

### **Educational Grants and Scholarships**

Reflects income from \$9 million endowment from the Unitarian Universalist Congregation at Shelter Rock for theological education, from two-thirds of the St Lawrence Educational trust income, UUA endowed scholarship funds and the Living Tradition fund.

#### Ministerial Aid Funds

Represents income from Ministerial Aid endowment funds and the Living Tradition fund.

#### Holdeen and International Trusts

Includes income from the Holdeen Trust funds for Holdeen India Program grants, for the designation trust recipients and other international program charitable service activity.

## Other Purposes

Capital Gains for Fundraising income represents accumulated gains on endowment funds that are used for funding expenses of the Capital Campaign for Unitarian Universalism. These funds will be returned to the endowment as the proceeds of the campaign are received. Other income is from a variety of sources including the Liberal Religious Charitable Society (LRCS), with program support and other subsidy income of \$100,000 in FY2004 and continuing transition program support of \$50,000 in FY2005. Funds from the from the John Cross trust are included to be used for staffing support related to gay and lesbian issues. Also, income is provided by the Council on Church Staff Finances, the UUMA and LREDA in support of administrative staffing expenses incurred by the Office of Church Staff Finances.

## General Assembly

When the General Assembly earns an excess of income over expenses, this excess is added to the general income of the Association. When there is an excess of expense over income, the resulting loss is recorded as an expense and made up from the Association' unrestricted endowment funds. The financial objective of the General Assembly is to break even.

#### **EXPENDITURES**

### **Board and Volunteer Leadership**

The Board of Trustees serves as the chief management body of the Association when the General Assembly is not in session. The budget provides for travel accommodations and meals for the Board of Trustees and all Board level and elected committees and task forces, so that they can conduct the affairs of the Association as set forth in the bylaws. Expenses for the Moderator and Financial Advisor's travel and activities are also covered.

Regional subcommittees of the Ministerial Fellowship Committee are included in the budget at their anticipated costs: \$100,300 in FY2004, \$97,500 in FY2005 and \$90,000 in FY2006 and in FY2007.

The UU Funding Program receives grants from the Veatch Program of the Unitarian Universalist Congregation of Shelter Rock and administers four lay leadership led grant making panels.

#### **Programs**

### Advocacy and Witness

This staff group includes the UU Washington Center – advocacy and witness programs; the Office of Information and Public Witness, the International Office and work with the Holdeen India Program and Holdeen International Partners.

The UUA Holdeen India Program distributes trust income designated for use in India for maternity, child welfare, education and migration expenses, and other charitable services. The fund enables some of the poorest and weakest groups in India to improve their lives and change their social and economic conditions in directions of their own choosing. Particular attention is paid to the needs of low-income women. The FY2005 Holdeen India Program grants budget is \$500,000, and the grants for FY2006 are expected to be \$489,377 as a result of the decline in the market value of the Holdeen investment portfolio. The FY2007 grants budget is anticipated to be in excess of \$500,000.

### **Congregational Services**

This staff group provides services to support the growth, health, vitality and diversity of Unitarian Universalist congregations around the continent, including: New Congregation and Growth Resources, Congregational Justice Making Resources, Young Adult Campus Ministry, Congregational Fundraising Services, Lay Leadership Development, and Services to Large Congregations. The mission of Congregational Services is to inspire and support Unitarian Universalist congregations and communities to more fully embody our Principles and to continue their transformation into vital, growing, anti-racist and anti-oppressive institutions offering witness and ministry to their communities. These offices provide training for ministers and laypeople committed to growth, support for ministries to young adults, fundraising services (annual canvass, capital campaign and more) and administration for the building loan, loan guarantee and first home grant programs. With generous support from the Veatch Program of the Unitarian Universalist Congregation at Shelter Rock, grants have been made for support of extension ministry and new congregation ministry, as well as historic urban churches.

#### District Services

District Services provided or managed by district staff are available to congregations under the auspices of the district in which they are located. The mission of the district staff is to foster the spiritual and institutional health of Unitarian Universalism by serving as leaders, consultants, advocates and educators in our community of congregations.

Through the APF Grants program, districts benefit directly from the success of the Annual Program Fund. The Association redistributes a portion of the total APF contributions to all 20

districts in the form of Grants. Commencing last year, the Basic Grant is 11% of the District's percentage of Fair Share attained, up to 100%, times the total amount the district contributed to the Association in the prior year. In addition to the Basic Grant, a Fair Share Congregations' Grant of \$1,000 is given when 75% or more of a district's member congregations are full Fair Share. If at least 90% of the congregations in a district are full Fair Share, the district will receive \$5,000.

### Identity-Based Ministries (IdBM)

This staff group provides leadership toward our becoming an anti-racist, anti-oppressive, multicultural religious community. The plan going forward is to continue establishing the Journey Toward Wholeness collaboratively with Unitarian Universalists in congregations, districts, seminaries, all board level committees and task forces and associate and affiliate groups, through assistance to congregations in developing social justice programs, oversight and support of the UUA's anti-racism initiative.

In addition, Identity-Based Ministries provides support to all UUA staff groups to develop their anti-oppression knowledge, skills, and competencies, and consults with the Association and families of color. Finally, Identity-Based Ministries works with volunteer committees, and affiliate organizations to develop resources for congregations doing anti-racism and anti-oppression transformation work.

A provision for contingencies is made in accordance with the Bylaws, which provide for three percent of the Association' unrestricted income to be available to meet the cost of unforeseen expenditures.

### Stewardship and Development

This staff group plans and implements fund-raising strategies for the long-term growth and financial health of Unitarian Universalism. Different programs target the needs of congregations, districts, ministers and outreach programs. Funding for the capital campaign development expenses through the use of accumulated gains on unrestricted and temporarily restricted endowment funds has been authorized by the Finance Committee and the Board, with a plan for the return of these funds from the funds to be raised during the Campaign for Unitarian Universalism.
